Reasons for Recommendation

SBD reviewed this project pursuant to Implementing Order 3-41 for SBE-Goods & Services Measures. Project information analyzed included the project's scope of services, estimated project cost, minimum requirements/qualifications and funding source. Additional factors included surveys conducted with certified firms to determine availability. A verification of availability was conducted by email and phone.

A Set-Aside is appropriate for this project.

There are one hundred and twenty three (123) SBE certified firms under these commodity codes, and two (2) of them responded as being able to meet the project requirements.
