| Reason for Recommendation                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |             |              |
| <p>SBD reviewed this project pursuant to Implementing Order 3-41 for SBE-Goods measures. Project information analyzed included the project's scope, estimated project cost, minimum requirements/qualifications and funding source. Additional factors included the Verification of Availability process to determine availability and assignment of the noted measure. Twelve (12) SBE firms certified in the commodity codes below were contacted through the Verification of Availability process; however three or more firms did not respond as being able to provide the goods and/or services requested. A No Measure is applicable to this solicitation.</p> <p>The work description codes assigned based on the scope are:</p> <p>NIGP 05557 Lights and Accessories: Flashing, Light Bars, Revolving, and Warning, Including Strobe/Warning Lights, Automotive, NIGP 28554 Lighting Fixtures, Indoor: All Kinds and Parts, Including Lamp Holders and Recycled Types, NIGP 85550 Lighting Instruments: Border and Cyclorama Striplights, Follow Spotlights, Floodlights, Special Effects Lighting, Spotlights, etc., NIGP 05558 Lights and Lens, Automotive (Not Otherwise Classified)</p> |             |              |
