 - Event Days – crews allowed onsite from 7am – 3pm when the event occurs in the evening.
 - Crews will not be allowed onsite when an event occurs in the morning and/or afternoon and
 - Non-Event Days – crews allowed onsite for extended hours as needed.
- Work shall be 100% complete in any given area when events intervene.

WARRANTY:

- Twenty (20) years from the date of manufacture that the product will not suffer breakage or acoustic decreased performance.

RFI027282 – Acoustical Upgrade Scope of Service

RESTRICTIONS:

- The Vendor must use MBI Lapendary Acoustic Panels, series 4000P-2012-S, Model #110, exclusively manufactured by: MBI Products Company, Inc. Nothing else will be accepted.
- The proposed Vendor must have the following experience and certifications:
 - Vendor shall provide a list of a minimum of five (5) facilities (facility, contact name, title, address and current phone number) where the Vendor has provided Lapendary Acoustic Panel installation projects of equivalent size and scope within the last five (5) years.
 - Vendor shall provide five (5) Lapendary Acoustic Panel installation projects of equivalent size and scope for at least five (5) years.
- Proof of completed projects must be submitted at time of proposal.

INSURANCE:

- Vendor shall purchase and maintain during the entire project and for two years after project completion insurance with the minimum limits and coverage shown below from insurance companies and has the right to reject unacceptable insurance carriers.

STANDARD INSURANCE REQUIREMENTS	
Coverage Type	Limits
General Liability	\$1,000,000 Per Occurrence; \$2,000,000 General Aggregate; \$2,000,000 Completed Operations Aggregate
Auto Liability (All Hired Non-Owned)	\$1,000,000 for all jobs
Worker's Compensation	Statutory Limits; \$1,000,000 Employers Liability

- Vendor shall carry standard ISO General Liability coverage, written on an occurrence basis including Completed Operations. Coverages on an occurrence basis shall be maintained without interruption from date of commencement of the Vendor's Work until date of final payment or date coverage is required to be maintained after final payment to the Vendor, whichever is later. The coverage must be endorsed City of Miami, and Miami-Dade County as additional insureds on a primary and non-contributory basis.
