Standalone Stereo "Button Box" Audio Player.	Enco	HOTSHOT3- DANTE		1			1	1	Workstation, 80-Button HotShot Controller, Dante and DAD IPAUDIO Plugin and HotShot Software. Hardware carries a one year warranty unless specified otherwise. HotShot3 provides several playback options, including on a pre-labeled 80-button keypad or touchscreen operation – as well as remote operation using an iPad – to support all broadcast and production applications. The layout adopts ENCO's on-screen "button box" layout to accelerate learning curves and allow users to navigate up to hundreds of active icons with ease, each displaying a visual thumbnail with clip information. In addition to HotShot3, ENCO will demonstrate ClipFire, its companion instant playout system for video; as well as MOM and DAD, ENCO's flagship automated production and playout systems for television and radio, respectively.
Annual software subscription and support agreement.	Enco	SUPPORT-HOTSHOT		1			1	1	5 YEARS OF SOFTWARE SUBSRCIPTION AND SUPPORT AGREEMENT
