No Measure ___

Estimated Cost of Project/Bid: \$40,000,000.00

Description of Project/Bid:

The selected Proposer shall furnish and make fully operational three (3) Cranes, four (4) Spreaders, two (2) Overheight Adaptors and spare parts, in accordance with this Scope of Work and Technical Specifications as listed in (Attachment A), to be installed at the Lummus Island Container Terminal. As an optional supplement to the Base Cranes - provide the Cranes designed and fabricated for the Higher Stowed Wind conditions as described in Section 3.32 of the Technical Specifications (Attachment A). The County, at its sole discretion, may require the selected Proposer to furnish, install, test and certify additional crane components as requested in the Price Proposal Form and in accordance with the Technical Specifications listed in this RFP. The County, at its sole discretion, may require the selected Proposer to
