Good day Tyrone,

The funding source will be Federal 80% and General 20% today, however, this solicitation is to pre-qualify vendors that will be invited to participate in future spot markets for catering services. This solicitation will be open for any county department that needs catering services and the funding source percentage will change over time.

Let me know if you need more information.

Thanks.

Good afternoon Claudia,

Will the subject contract be utilizing any Federal or State funding? If so, can you please provide an estimated cost for each funding source? Also, can you advise how the subject project will be awarded?
