<b>Title:</b>	Compliance Efforts with Department of Justice Consent Agreement
<b>Description of Emergency Good/Service Purchased:</b>	Consultant Services with Medical and Mental Health Experts
<b>Full Written Determination on the Basis of the Emergency:</b>	Miami-Dade County is under a Consent Agreement with the Department of Justice which is closely monitored by the federal court. Miami-Dade County has been court ordered to retain subject matter experts in correctional medical and mental health services to assist the County in its compliance efforts. The attached court order specifically requires this action be accomplished by Monday, June 18, 2018 so we are requesting their retention by no later than Friday, June 15, 2018. As such, Miami-Dade County is making an emergency declaration to retain these efforts within the prescribed timeframe. Information about the consultants is attached.

**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF FLORIDA**

**Case No. 13-21570-CIV-BLOOM**

UNITED STATES OF AMERICA,

Plaintiff,

v.

MIAMI-DADE COUNTY, THE BOARD  
OF COUNTY COMMISSIONERS, *et al.*,

Defendants.

---

**ORDER GRANTING MOTION FOR AGREED SANCTIONS**

**THIS CAUSE** is before the Court upon the Motion for Sanctions, ECF No. [110] (“Motion”), filed by Plaintiff United States of America on April 30, 2018. Pursuant to the Court’s February 9, 2018 Order, ECF No. [84], the United States requests that sanctions be imposed on Defendants Miami-Dade County, Miami-Dade County Board of County Commissioners, and Miami-Dade County Public Health Trust (collectively, “Defendants” or the “County”) for non-compliance with the Court-ordered April 16, 2018 action steps contained in the Third Summary Action Plan, ECF No. [91]. *See* Joint Declaration Regarding Status of Compliance, ECF No. [108].

In the Motion, the United States seeks an order requiring the County to retain an expert or experts to provide regular on-site technical assistance in the areas of correctional medical and mental health care, and to assist the County in implementing the provisions of the Consent Agreement and current Summary Action Plan. The United States represents that it and the Independent Monitors will work with the County to identify the appropriate expert(s) to fill this role. The County does not oppose this relief.

Accordingly, the United States' Motion for Sanctions is **GRANTED** and it is **ORDERED AND ADJUDGED** as follows:

1. As a result of Defendants' failure to comply with the April 16, 2018 action steps in the Third Summary Action Plan, additional remedial relief is necessary.

2. **By Monday, June 18**, the County shall retain an appropriate subject matter expert or experts who will provide regular on-site technical assistance in correctional medical and mental health care and who will assist the County in implementing the provisions of the Consent Agreement and the current Summary Action Plan. The County shall work with the United States and the Independent Monitors to identify the appropriate expert(s) to fill the role.

3. The additional relief set forth in this order complies in all respects with the provisions of 18 U.S.C. § 3626(a). The relief is narrowly drawn, extends no further than necessary to correct violations of federal rights as alleged by the United States in its Complaint and Findings Letter, is the least intrusive means necessary to correct these violations, and will not have an adverse impact on public safety or the operation of the criminal justice system.

**DONE AND ORDERED** in Chambers at Miami, Florida, this 3rd day of May, 2018.

Copies to:

Counsel of Record

**Request for Emergency Declaration  
Court Ordered Retention of Correctional Medical  
and Mental Health Services Experts**

Miami-Dade County entered into a Consent Agreement with the Department of Justice on May 22, 2013. Although Miami-Dade County has made progress towards reaching compliance with the 115 provisions, the Court has required specific deliverables be provided to the Monitors with time certain deadlines via a court order making meeting these deadlines imperative.

Miami-Dade County has now been court ordered to retain subject matter experts in correctional medical and mental health services to assist the County in developing the court-mandated deliverables within prescribed timelines and obtain compliance by June 2019. The attached court order specifically requires that the experts be retained by Monday, June 18, 2018 and that the experts be identified by the Monitors and the Department of Justice. The experts will provide routine on-site technical assistance in the areas of correctional medical and mental health to assist the County in implementing the provisions of the Consent Agreement and the current Summary Action Plan.

As such, Miami-Dade County is making an emergency declaration to retain the following experts no later than Friday, June 15, 2018 to meet court order mandate:

- Dr. Esmaeil Porsa earned his Medical Degree and a Master of Public Health Degree from the Texas Health Science Center Medical School and an Executive Master of Business Administration Degree in Healthcare Organization Leadership from the University of Texas at Dallas. Dr. Porsa has served as an Interim Chief Medical Officer for Parkland Hospital responsible for 1,500 staff members and 1,100 residents and as Medical Director of Correctional Health in the Parkland Hospital and Health System for over 10 years. Additional experience in correctional health includes serving as Associate Medical Director for University of Texas Health Science Center. Dr. Porsa has also obtained several relevant certifications that are integral to improving the delivery of medical services to the unique inmate population and therefore facilitate compliance with the Consent Agreement: National Commission on Correctional Health Care, Certified Correctional Healthcare Provider, Advanced 2015; National Commission on Correctional Health Care, Certified Correctional Healthcare Provider, Physician 2015 and 2005. Dr. Porsa is a published researcher focusing on management of tuberculosis as well as management of MRSA in the correctional health setting. He has also served as the medical monitor for Cook County and is extremely knowledgeable about how to obtain compliance with the Consent Agreement.
- Dr. Maria Masotta earned a Doctoral Degree in Clinical Psychology with a specialization in Forensic Psychology and a Master of Science Degree in Clinical Psychology from Nova Southeastern University, and a Bachelor of Science Degree in Psychology from Hartwick College. Dr. Masotta has significant experience as an expert in correctional health serving as a contractor with the Department of Homeland Security evaluating behavioral health programs provided in Immigration and Customs Enforcement detention centers, and a court appointed expert for the California Department of Corrections and Rehabilitation and Department of State Hospitals mental health system. She has served as the Regional Clinical Director/Regional Comprehensive Quality Improvement Manager for the MHM Correctional Services and as the Mental Health Director and Staff Psychologist for the Massachusetts Correctional Institute. As a court appointed expert and contractor to evaluate mental health programs, Dr. Masotta has extensive experience to assist with Miami-Dade County compliance efforts with the Consent Agreement.

**Request for Emergency Declaration  
Court Ordered Retention of Correctional Medical  
and Mental Health Services Experts**

- Ms. Madeleine LaMarre earned a Bachelor of Science Degree in Nursing from Russell Sage College and a Master of Nursing from Emory University. She served as the Nursing Director for Georgia Department of Corrections for over 10 years. She has been a correctional health consultant since 2003 assisting correctional institutes (Department of Homeland Security, DeKalb County Jail, Vermont Department of Corrections, District of Columbia Detention Facility, and Fulton County Jail) in the development of health care policies, protocols, training, and clinical auditing processes to ensure compliance with generally accepted professional standards. She has served as an independent correctional expert monitoring compliance with settlement agreements and/or remedial plans in state and county correctional agencies. These qualifications make her an essential resource to Miami-Dade County and will serve to assist in obtaining compliance with the remaining provisions.

Re: Miami Dade Consulting Engagement

To whom it may concern,

Pursuant to my phone conversations regarding a potential consulting engagement with the Miami Dade County Jail Health System, I would like to propose the following on site and virtual engagement calendar.

- On site:
  - At least one three day visit per month starting in May 2018 over a Thursday/Friday/Saturday period (travel to Miami on Wednesday night and travel back to Dallas on Sunday morning)
- Virtual:
  - Webex, phone conference, Skype and email at least once a week during business hours (7am-5pm CST) and as needed on evenings and weekends.

Thank you and look forward to working with you.

Sincerely,

---

Population Health Management

Correctional Health Management

**BIRTHDATE:** June 29, 1964

**CITIZENSHIP:** United States of America

## **GRADUATE EDUCATION:**

Executive MBA in Healthcare Organization Leadership, University of Texas at Dallas, 2017

MPH, University of Texas Health Science Center, School of Public Health, Houston, TX, 2005

MD, University of Texas Health Science Center Medical School, San Antonio, TX, 1993

## **POSTGRADUATE TRAINING:**

Leadership Fellow, Texas Hospital Association (2015)

University of Texas Health Science Center in Houston, Fellowship – Joint Primary Care (2003-2005)

University of Texas Health Science Center in Houston, Residency – Internal Medicine (1995-1996)

University of Texas Health Science Center in Houston, Internship – Internal Medicine (1994)

**LICENSURE:** Texas J6028

## **HOSPITAL APPOINTMENTS:**

Parkland Health and Hospital System (2007 to present)

Hermann Hospital (1993 - 2007)

Lyndon B. Johnson Hospital (1993 - 2007)

Kindred Hospital Houston (1994 - 2007)

Foundation Surgical Hospital (2006 - 2007)

## **WORK EXPERIENCE:**

### **1. Parkland Health & Hospital System, Dallas, Texas**

**2007 to Present**

#### **❖ Executive Vice President and Chief Strategy and Integration Officer, 2016-present**

Report directly to the President and Chief Executive Officer

Responsible for the performance of the following senior leaders:

- Senior VP Population Health
- VP Parkland Community Health Institute
- VP Office of Business Development
- VP Office of Research Administration
- Medical Director Parkland Community Health Institute and Parkland Inclusion and Diversity
- Director of Enterprise Project Management Office

As the Chief Strategy and Integration Officer (CSIO), I am part of a collegial effort to affect the cultural and operational changes necessary to transform the healthcare system in light of Parkland's transition towards value-based healthcare. I am additionally responsible for creating new systems and models of care across inpatient and ambulatory settings, measuring and improving care quality and outcomes, and then translating successful systems into new value-based models of clinical care quality. Additionally, I direct the offices of Decision Support and Research to optimally align data analytics for clinical activity across the enterprise in support of Parkland's strategic priorities.

#### **❖ Executive Vice President and Interim Chief Medical Officer, January 2015 to January 2016**

Reported directly to the President and Chief Executive Officer

Responsible for the performance of following senior leaders:

- Associate CMO and SVP Population Health
- Associate CMO and SVP Utilization Management
- Associate CMO and SVP Quality and Patient Safety
- Associate CMO and SVP Medical Informatics

As the Interim Chief Medical Officer (CMO), I was responsible for the day to day professional and behavioral conduct of over 1,500 members of the medical staff and 1,100 residents. My responsibilities also included coaching and counseling members of the medical staff on issues related to quality of care, productivity and conduct, issuing administrative suspensions and sanctions against members of the medical staff and residents, planning and implementation of 626 patient relocations from the old Parkland Hospital to the new Parkland Hospital in August of 2015, planning and administering two physician engagement surveys (2013 and 2015). After each engagement survey, I became responsible for disseminating the survey results to the members of the medical staff and to help plan and carry out the action plans aimed at improving engagement and job satisfaction.

#### **❖ Associate Chief Medical Officer, Senior Vice President Medical Affairs, November 2013 to January 2016**

Reported directly to the Chief Medical Officer

Responsible for the performance of the following leaders:

- Director of Medical Staff Credentialing Services
- Director of Medical Staff Privileging and Peer Review Services
- Director of the Graduate Medical Education

As ACMO/VPMA I was responsible for the restructuring of the credentialing and privileging office that led to a significant reduction in the turnaround time and improved retention and provider engagement. I was additionally responsible for managing the Graduate Medical Education Office managing more than 1000 residents in over 26 specialty and subspecialty services.

❖ **Medical Director Correctional Health, May 2007 to July 2017**

Reported directly to the Chief Medical Officer

As Medical Director for Correctional Health I was responsible for the performance of 30 physicians and advance practice providers (nurse practitioners and physician assistants) providing care to over 6,000 inmates at the Dallas County Jail (7<sup>th</sup> largest jail in the US). I was also responsible for the successful completion of over 50 quality improvement initiatives as part of meeting the 2016 Department of Justice consent decree against the Dallas County Jail.

❖ **Interim Director of Nursing Correctional Health, September 2007 to August 2008**

As Interim DON for Correctional Health I was responsible for the performance and quality and safety of care delivery by 130 LVN and RN staff at the Dallas County jail.

**2. University of Texas Health Science Center Houston, Texas**

**1998 to 2007**

❖ **Associate Medical Director Correctional Health**

As Associate Medical Director for Correctional Health at Harris County Jail (3rd largest jail in the US) I was responsible for direct care of a 115 bed medical infirmary as well as other administrative duties including utilization management and quality improvement.

❖ **Staff Physician-Emergency Department**

University of Texas Health Science Center Houston-LBJ Hospital, 1997-1998

❖ **Staff Physician-Inpatient Services**

University of Texas Health Science Center Houston, 1996-1997

**APPOINTMENTS:**

1. Adjunct Professor  
Naveen Jindal School of Business, University of Texas at Dallas  
2018 to present
2. Volunteer Clinical Assistant Professor Family Medicine  
University of Texas Southwestern Medical Center at Dallas  
2010 to present
3. Faculty Associate and Assistant Clinical Professor  
Texas Women's University  
2011 to present
4. Assistant Professor Department of Family and Community Medicine  
University of Texas Health Science Center in Houston  
1998 – 2007
5. Assistant Professor Clinical Epidemiology and Evidence Based Medicine  
University of Texas Health Science Center in Houston  
2005 – 2007
6. Assistant Professor Department of General Surgery, Division of Emergency Medicine  
University of Texas Health Science Center in Houston  
97 – 98
7. Chief Medical Resident, Department of Internal Medicine

University of Texas Health Science Center in Houston  
1996 – 1997

**CERTIFICATION:**

National Commission on Correctional Health Care, Certified Correctional Healthcare Provider, Advanced 2015  
National Commission on Correctional Health Care, Certified Correctional Healthcare Provider, Physician 2015  
American Board of Internal Medicine 2007  
National Commission on Correctional Health Care, Certified Correctional Healthcare Provider 2005  
American Board of Internal Medicine 1997

**PROFESSIONAL ORGANIZATIONS:**

RE: Miami Dade Consulting Engagement

Mr. Steigman and Dr. Paige;

It was a pleasure to speak with you this morning. I am both honored and excited about the opportunity to work with you and your staff to provide technical assistance. Per your request, the following is a proposal for your review regarding a potential consulting engagement with the Miami Dade County Jail with the goal of ensuring compliance with court orders and maintaining a sustainable behavioral health program.

At a minimum, the provision of technical assistance would include:

- One monthly, 3-day on-site visit. Site visits can be extended and/or increased in frequency as needed.
- Documentation review
- Regular contact via phone/teleconference calls/email.

My hourly consultation rate (\$350/hour) includes the site visit, any off-site document review, related correspondence (telephone and electronic) and report writing. My hourly travel rate (\$125/hour) includes round-trip travel time initiated in Middletown, CT to Miami, FL. My travel rate does not include reimbursement for any expenses (airfare, hotel, meal expenses, and cabfare/car rental) incurred for the duration of the site visit.

Thank you for your consideration. I look forward to discussing our shared goal of improving behavioral health programming at Miami Dade County Jail.

Respectfully,

Maria Masotta Psy.D.

Clinical Psychology
- B.A. Hartwick College – Oneonta, New York (8/93-12/96)  
Major in Psychology
- 

## Clinical Experience

**Contractor** – Department of Homeland Security/Civil Rights and Civil Liberties – (4/17-present). Conduct assessment of behavioral health programs in detention centers that detain Immigration and Customs detainees. This includes a review of policies and procedures, interviews with detainees and staff and review of relevant documentation. Analyses, conclusions and recommendations are provided via a summary report.

**Court Appointed Expert, Correctional Mental Health** (8/14- present). United States District Court of the Eastern District of California – Ordered by Honorable Lawrence K. Karlton, Senior District Judge, for a class action lawsuit, Coleman et. al vs. Brown et. al. As a member of a multi-disciplinary team, provide expert consultation to the Special Master, Mathew A. Lopes, Esq., as part of an ongoing monitoring process of the California Department of Corrections and Rehabilitation and Department of State Hospitals mental health system.

**Forensic Psychologist** – FHS/MHM (5/13-8/17) Worcester District Court Clinic – Worcester, Massachusetts (Center for Health and Development 11/06-12/10) Conduct court-ordered forensic evaluations for central Massachusetts courts. Evaluations include involuntary commitment for psychiatric treatment, commitment for substance abuse, aid-in-sentencing, competency to stand trial and criminal responsibility.

**Clinical Psychologist** – MedOptions of Massachusetts (10/12-1/15). Provide psycho-diagnostic evaluations, behavioral management, psychological testing, guardianship evaluations and psychotherapy to individuals residing in nursing homes for short- term rehabilitation or long-term care. Psychological issues range from mild to severe dementia, loss/grief, substance abuse and serious and persistent mental illness.

**Psychologist** – MHM Correctional Services, Inc – Massachusetts Treatment Center, Bridgewater, Massachusetts. (8/12-10/12). Provide treatment planning, individual psychotherapy and crisis intervention to incarcerated men who have been convicted of a sexual offense or have been civilly committed as a Sexually Dangerous Person.

**Regional Clinical Director/Regional Comprehensive Quality Improvement Manager** – MHM Correctional Services, Inc –Regional Office – Norton, Massachusetts (3/12-8/12). Provide clinical support, leadership and supervision to clinical staff throughout the mental health prison programs in Massachusetts. Respond to inmate grievance appeals. Provide clinical support for Department of Mental Health segregation audits and Department of Corrections quarterly meetings at various prisons. Provide clinical consultation to mental health and correctional staff in the management of mentally ill inmates. Coordinate with the Department of Corrections Training Academy and mental health staff to schedule annual suicide prevention training. Oversee quality improvement activities including staff credentialing and peer reviews.

**Senior Clinical Operations Specialist** – MHM Correctional Services, Inc. (10/10 –3/12) This position required travel throughout the United States approximately 50% of the time to provide training and clinical consultation to mental health staff in the management of inmates with severe and persistent mental illness and significant self-injurious behavior. Assist in the development of behavior management treatment plans. Assist in the implementation of clinical programming and policies. Develop staff training, clinical guidelines and group psychotherapy protocols. Conduct clinical audits to ensure contract compliance. Co-facilitate a company-wide conference call focusing on the gender responsive needs of female offenders.

**Mental Health Director** – MHM/Forensic Health Services - Massachusetts Correctional Institute- Framingham-Framingham, Massachusetts (7/07- 9/10) Supervise multidisciplinary team of social workers, psychologist, and psychiatrists who provide counseling and crisis intervention services to incarcerated women. Collaborate with correctional and medical personnel in developing treatment plans for women to assist in their ability to manage the penal environment and make recommendations in respect to disciplinary issues. Serve as the Chief Psychologist for Department of Corrections/MHM system-wide psychologists. On-call for after hours crisis intervention for medical and security personnel. Provide individual, group psychotherapy and crisis intervention serves to incarcerated women.

**Staff Psychologist-** UMASS Correctional Health- Massachusetts Correctional Institute- Framingham – Framingham, Massachusetts (9/02 – 2/06, 11/06 – 7/07) Serve as designated back-up for mental health director in periods of absence, provide on-site and off-site coverage. Provide treatment planning, individual and group psychotherapy to incarcerated women who are awaiting trial or sentenced for a wide variety of misdemeanor and felony convictions. Treatment typically addresses adjustment issues, trauma history, substance abuse, domestic violence and family discord. Additional responsibilities include conducting intake evaluations, psychological testing, and assessing the mental health status of women housed in segregation. Provide crisis counseling and assess and monitor women who are acutely at risk of harm to themselves or others. Supervise UMASS pre-doctoral clinical psychology interns. Attend and participate in daily triage meetings, educate and consult with corrections staff as indicated. Served as the mental health liaison for the Prison Pup Partnership program, which involves selection of inmates and ongoing evaluation of fitness to serve as a handler, as well as facilitating team-building activities. Developed and co-facilitated intern seminar for master's level interns on various clinical issues. Created administrative forms to facilitate communication between court personnel and prison mental health staff; to document group treatment; to assist with crisis assessment; and to aid in compliance of documentation of clinical issues for quarterly audits. Created and maintained monthly award for clinical excellence for mental health staff. Coordinate monthly crisis coverage schedule. Facilitate monthly staff meeting and quarterly full-day staff seminar. Maintain security of psychological testing materials and assign cases to peers. Developed and facilitate case conferences for challenging clinical cases. Serve as the mental health representative for the institution's training committee and provide weekly training to correctional

Maria Masotta

officers regarding mental health issues. Organized fund raiser for institutional staff, collected and donated money to victims of the 2004 Tsunami.

***Independent Contractor*** – MHM/Forensic Health Services, Worcester County (5/06 – present). Conduct pre-arraignment evaluations pursuant to M.G.L. Chapter 123, Section 18(a). Evaluations are conducted after-hours on an on-call basis for detainees deemed to be experiencing a psychiatric emergency.

***Independent Contractor*** – University of Massachusetts Medical School (10/1/06 – 11/29/06) – Conduct psychological testing at Souza Baranowski Correctional Center, a maximum security penal institution for men.

***Forensic Psychologist*** – Center for Health and Development, Fitchburg District Court Clinic – Fitchburg, Massachusetts (2/06 – 11/06) Conduct court-ordered forensic evaluations for central Massachusetts courts. Evaluations include involuntary commitment for psychiatric treatment, commitment for substance abuse, aid-in-sentencing, competency to stand trial and criminal responsibility.

***Psychology Intern-*** University of Massachusetts Medical School/Worcester State Hospital – Worcester, Massachusetts (9/01- 8/02) Attended seminars on Neuropsychology, Substance Abuse, Malingering, and Psychopharmacology. Attended Law and Psychiatry Rounds and Grand Rounds. Rotations included: Child Family Forensic Center, Outpatient Psychiatry Service-Anger Management Program, Community Healthlink – Homeless Outreach Assistance Program, and Bridgewater State Hospital – Maximum Security Unit. Supervised by: Jack Terry, Ph.D., Bill Warnken, Psy.D., ABPP, Anne Johnson, Ph.D., David Holtzen, Ph.D., Linda Cavallero, Ph.D., Gerri Fuhrman, Ph.D., Gregg Januszewski Psy.D., and Alan Rosenbaum, Ph.D .

Bridgewater State Hospital – Maximum Security Unit – As a member of the multidisciplinary treatment team, provided therapeutic services to patients. Co-facilitated a unit based violence prevention group and provided individual therapy to patients diagnoses included Schizophrenia, Bipolar Disorder, Borderline Personality Disorder, and Mood Disorder NOS. Evaluated a patient diagnosed with Bipolar Disorder and Borderline Personality Disorder for recommitment and wrote the recommitment evaluation. Conducted psychological testing with patients and communicated results to treatment team.

Massachusetts Correctional Institute-Framingham – Served as a Primary Care Clinician for female inmates, designed treatment plans, and provided weekly therapy. Diagnoses included Major Depression, Borderline Personality Disorder, and Post-Traumatic Stress Disorder. Conducted psychological testing with inmates and communicated results to referral source.

Child Family Forensic Center – Conducted psychological evaluations with families referred by the Worcester Probate and Family Court. Assessed inter-parental conflict, domestic violence, substance abuse, and mental health history and made visitation and custody recommendations. Evaluation included an interview with both parents and children and collateral contacts as deemed appropriate. Appointed and served as a Guardian ad Litem to determine the best interests of the child. Evaluation included numerous interviews of both parents and child, review of collateral records, and collateral contacts.

Outpatient Psychiatry Service – Anger Management Program – Conducted intakes for anger management program. Co-facilitated a men's anger management group and women's anger management group. Many of the group members were involved in domestic violence and are referred by the Worcester District Court.

Community Healthlink – Homeless Outreach Assistance Program - Conducted psychological testing with homeless clients as referred by the treatment team. Communicate results to the treatment team.

***Psychology Trainee*** – Public Defender's Office, Broward County Courthouse – Fort Lauderdale, Florida (8/99-9/00). Conducted full battery psychological evaluations with inmates with violent felony charges. Communicated results to attorneys and peers during case conference. In addition, assisted with competency and

Maria Masotta

sanity evaluations and conducted an evaluation to determine competency to stand trial with an individual with a felony charge. Rotated through: Broward County Main Jail, Broward County Mental Health Court, Juvenile Detention Center, and Crisis Street Stabilization Unit. Supervisors: Lenore Walker, Ed.D. ABPP, David Shapiro, Ph.D., Hilda Besner, Ph.D., Michael Brannon, Psy.D., and Ross Seligson, Ph.D.

Broward County Main Jail- Evaluated approximately 134 detainees arrested for misdemeanor charges to assess for the presence of mental illness. Detainees willing to seek mental health treatment were qualified for Mental Health Court. Made recommendations through consultation with Public Defender and testified as necessary. Qualified as an expert by magistrate on duty.

Broward County Mental Health Court- Court specializes in mental health treatment for individuals that committed misdemeanor offenses. Conducted approximately 107 brief psychological assessments with detainee's including evaluation of competency to proceed, risk assessment, mental status, psychosocial history, treatment compliance, and treatment and placement needs. Made recommendations to the Public Defender and provided testimony as needed to Honorable Judge Ginger Lerner-Wren. Qualified to as an expert to provide testimony.

Juvenile Detention Center- Evaluated approximately 29 female adolescents for competency to proceed and a wide range of factors including educational needs, previous delinquent behavior, medical concerns, mental health history, family issues, and history of abuse. Juveniles ranged from 12-17 years of age, representing a wide range of ethnic and cultural backgrounds. Recommendations provided to Public Defender and Legal Aid attorney assisting the adolescents with civil and legal needs.

Crisis Street Stabilization Unit- Facility is an inpatient psychiatric hospital, primarily providing services for indigent patients. Conducted approximately 38 risk assessment evaluations with involuntarily hospitalized patients. Assessment of ability to care for self and potential for harm to self or others, despite a wide range of psychotic diagnoses, mood disorders, and dual diagnosis issues, was of primary concern. Made dangerousness recommendations to the Public Defender.

***Psychology Trainee*** - Nova Community Clinic for Older Adults (NCCOA), Nova Southeastern University Community Mental Health Center - Fort Lauderdale, Florida (6/98-4/99). NCCOA is a specialty clinic within the Community Mental Health Center that serves clients ages 55 and older. Provided outpatient cognitive-behavioral individual and group psychotherapy, targeting symptoms of depression and anxiety disorders. Duties consisted of treatment planning, medical record, weekly supervision, case presentations, crisis intervention, case presentations, and attending a bi-monthly Cognitive-Behavioral Seminar. Intake evaluations included administration and interpretation of the Structured Clinical Interview for DSM- IV, Mini-Mental Status Exam, Beck Anxiety Inventory, Geriatric Depression Scale, Wolpe Lazarus Assertiveness Scale, and selected subtests from the Wechsler Adult Intelligence Scale-Revised and Wechsler Memory Scale-Revised. Supervisor, William Kelleher, Ph.D.

***Forensic Psychology Assistant*** - The Institute for Behavioral Sciences and the Law - Plantation, Florida (9/00-12/00). This is a private practice that provides both clinical and forensic evaluations. Assisted with psychological evaluations (WAIS-III Rorschach, MMPI-II MCMI-III) and conducted clinical interviews with detainee's pending trial for competency, downward departure, and substance abuse evaluations. Supervisor, Michael Brannon, Psy.D.

***Therapist*** - Broward Partnership for the Homeless Incorporated - Fort Lauderdale, Florida (7/99-6/01). Broward County funded position for one Nova Southeastern student to provide on-site psychological evaluations, crisis intervention, and outpatient therapy, with adults, children, and families residing at the shelter. Group

Maria Masotta

psychotherapy was also conducted in a psycho-educational format focusing on goal achievement and parenting skills. Individuals have presented with a variety of Axis I and Axis II disorders including depression, anxiety, suicidal behavior, bipolar disorder, psychotic disorders, social skills deficits, and substance abuse. Other duties consisted of documentation in medical record, weekly supervision, treatment planning, consultation with Case Management staff and facilitating educational seminars with Residential Coordinator staff. Supervisor, Ana Martinez, Psy.D.

***Therapist*** - Brown Schools of Florida at Sunrise - Weston, Florida (8/99-12/99). Program is a residential treatment facility for emotionally disturbed adolescents. Provided group psychotherapy several times a week and conducted psychosocial evaluations. Other duties included treatment planning, documentation, crisis intervention, and consultation with the clinical team. Supervisor, Andrew Cutler, M.S.W.

***Psychological Consultant*** - Family Assessment Center, The Brown Schools of Florida - Fort Lauderdale, Florida (2/99-5/99). Program is an emergency shelter that houses children and adolescents that have been detained by the Department of Children and Families. Conducted mental health screenings and psychological evaluations to assess the child's mental health and made placement recommendations to the Broward County Court System and Department of Children and Families. Provided crisis intervention. Supervisor, Michael Brannon, Psy.D.

***Mental Health Consultant*** - M.E. Chiles Program, Nova Southeastern University Community Mental Health Center - Fort Lauderdale, Florida (6/98-12/98). Conducted mental health evaluations at foster homes with children and adolescents detained by the Department of Children and Families. Provided individual psychotherapy with foster children and a court-ordered parent. Duties consisted of assessing the child's mental health and making placement recommendations to the Broward County Court System and Department of Children and Families. Supervisor, Mary Centrone, Psy.D.

***Recreational Therapist*** - Alzheimer's Resource Center of Connecticut - Southington, Connecticut (1/97-3/97). Facility provides psychological, medical, housing and recreational services to residents diagnosed with Alzheimer's Disease. Facilitated recreational activities with residents including arts and crafts, music therapy, reminisce, nature walks, exercise, and fine dining on a one-on-one or group basis to stimulate their senses and improve their quality of life.

***Certified Hospice Volunteer*** - Catskills Area Hospice - Oneonta, New York (3/96- 12/96). Participated in training that focused on death and dying with the terminally ill and ways to provide support for family members. Co-facilitated a children's bereavement group.

***Pre-School Teacher*** - Young Men's Christian Academy - Southington, Connecticut (Summers of 1995, 1996). Acted as a Pre-School teacher for children ages 3-5. Designed lesson plans appropriate to the children's level of development focusing on safety and awareness, outer space, and the human body. Implemented lesson plan providing education on the human body. Supervised children's activities and intervened as necessary, at times utilizing behavior modification.

---

## Supervisory Experience

***Co-Assistant Director of Psychology Intern Training*** – University of Massachusetts Medical School/ Worcester State Hospital- Worcester, Massachusetts (8/06- 8/07). Program is an American Psychological Association approved training site for pre-doctoral psychology interns. Participate in weekly group supervision,

Maria Masotta

provide individual supervision, assist in the selection of interns, coordinate didactic seminars. Coordinate and develop year-long, weekly didactic seminars.

**Coordinator** - Nova Community Clinic for Older Adults, Nova Southeastern University Community Mental Health Center - Fort Lauderdale, Florida (6/99- 6/01). Duties included orienting and training first and second year practicum students and serving as a liaison between students, Clinic Director, and the department of Quality Improvement. Co-facilitated bi-monthly staff meetings, conducted chart reviews on student's caseloads to assure compliance with clinic, Medicaid, and Medicare guidelines and screened new clients for intake and assigned to an appropriate student. In addition, monitored students' assessment data to confirm consistency between assessment data and diagnosis. Updated assessment package in collaboration with a graduate assistant, supervisor, and Charles Golden, Ph.D. Also trained students on administration, scoring, and interpretation of assessment packet. Supervisor, William Kelleher, Ph.D.

**Lead Peer Interviewer** - Nova Southeastern University - Fort Lauderdale, Florida (March 2001, March 2000). Interviewed clinical psychology doctoral applicants to determine appropriateness for program and made recommendations to selection committee as to their suitability.

**Peer Interviewer**- Nova Southeastern University - Fort Lauderdale, Florida (April 1999). Interviewed clinical psychology doctoral applicants to determine appropriateness for program and made recommendations to selection committee as to their suitability.

May 16, 2018

Mr. Don S. Steigman  
Executive Vice President & Chief Operating Officer  
Jackson Health System  
Executive Offices-West Wing 117  
1611 NW 12<sup>th</sup> Ave  
Miami, FL 33136

Peter Paige MD, MMM, CPE, FACEP, FACPE  
Executive Vice President & Chief Medical Officer  
Jackson Health System  
1611 NW 12<sup>th</sup> Ave  
Miami, FL 33136

Dear Mr. Steigman and Dr. Paige,

This is to provide you my proposal for consultation services for the Miami Dade Corrections and Rehabilitation (MDCR) Department.

My understanding is that MDCR is operating under a Consent Agreement that addresses medical and mental health care and quality improvement; and a court Order<sup>1</sup> related to compliance with the Consent Agreement. I understand that time is of the essence to meet the requirements of the Order and Consent Agreement and am available to provide consultation services regarding medical and some quality improvement components of the Consent Agreement and Order.

I would be available to be onsite 3-5 days per month as well as weekly or biweekly conference calls with health care leadership and staff to develop and implement a compliance plan and to assess progress toward meeting the Consent Agreement/Order deadlines<sup>2</sup>. I am available to begin work on June 1, 2018 with the first on-site visit in mid-June. My current CV is attached.

My professional fees are as follows:

\$250 per hour for on-site visits, review of documents and report writing;  
\$125 per hour for travel time; and actual travel expenses.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Max L. Ma", is written over a light gray rectangular background.

---

<sup>1</sup> Order on Fourth Revised Summary Action Plan. Honorable Beth Bloom, United States District Judge. May 3, 2018.

<sup>2</sup> Except September 2018 for which I have previous commitments.

**(404) 694-0655**  
[mlamarre55@gmail.com](mailto:mlamarre55@gmail.com)

## **EDUCATION**

Master of Nursing. Emory University, Atlanta, Georgia. March 1982.

Bachelor of Science in Nursing. Russell Sage College, Troy, New York. May 1977.

## **EXPERIENCE**

### **Correctional Health Care Consultant Madeleine LaMarre PC**

**May 2003 - Present**

Provides technical assistance to correctional agencies regarding correctional health care delivery systems. Assists agencies with the development of health care policies, protocols, training, and clinical auditing processes to ensure compliance with generally accepted professional standards. Serves as an independent correctional expert monitoring compliance with settlement agreements and/or remedial plans in state and county correctional agencies (see Appointments). Also serves in a consulting role to assist health care providers in achieving patient/client goals with emphasis on patients with acute, chronic, and infectious diseases.

### **Family Nurse Practitioner Medical College of Georgia**

**January 2005 to April 2007**

Provided clinical care to women with HIV infection at Georgia Department of Corrections facilities. Works in collaboration with an infectious disease trained physician to provide HIV consultation services regarding HIV infected patients to physicians, nurse practitioners, nurses and other health care providers.

### **Statewide Clinical Services Manager Georgia Department of Corrections**

**January 1995 - December 2004**

Assessed, monitored, and evaluated the quality of health services within state correctional facilities. Assisted in the development of health care policy, clinical guidelines and standards for the agency. Conducted site visits to correctional facilities to provide consultation and technical assistance to health care providers in meeting clinical, professional standards, and state law. Served in a consulting role to assist health care providers in achieving patient/client goals with emphasis on patients with acute, chronic, and infectious diseases. Monitored the performance of contract vendors by conducting health care evaluations at correctional facilities. Collaborated with agencies to obtain grant monies and resources to advance the goals and objectives of health service delivery. Coordinated responses to communicable disease outbreaks with the Georgia Department of Human Resources (DHR) and Centers for Disease Control and Prevention (CDC). Represented the Department of Corrections at interagency task forces and planning councils.

**Nursing Director/Nurse Practitioner**  
**Georgia Department of Corrections**

**November 1984-December 1994**

Provided expert clinical assistance in the planning, implementation and evaluation of nursing services within the state correctional system. Coordinated the development of statewide policies and procedures for nursing services. Evaluated nursing practice at the approximately 65 state institutions, transitional and detention centers. Provided technical assistance in meeting professional standards, state, and federal laws. Provided primary care services to offender/clients at correctional institutions, exercising skills of assessment, diagnosis, and plans of care in collaboration with the health care team. Directly supervised two professional nursing staff and an epidemiologist to implement nursing and public health programs. Coordinated the development of statewide policies and procedures related to the diagnosis and management of offenders with HIV infection, tuberculosis, and chronic illnesses. Provided training regarding clinical and administrative topics. Represented the agency through participation in various interagency task forces and planning councils.

**Family Nurse Practitioner**  
**Atlanta Advancement Center**  
**Georgia Department of Corrections**

**March 1982 - October 1984**

Administrator of the health clinic and primary health care provider to the adult male population at the transitional center. Exercised skills of patient assessment, diagnosis, and implementation of therapeutic measures in collaboration with a physician consultant and other appropriate health care personnel. Coordinated health care referrals and consultations for all residents. Supervised clinical experiences for nurse practitioner students from local universities. Collaborated closely with the superintendent of the transitional center to ensure organized, systematic operation of the clinic while maintaining quality standards of health care.

**Family Medicine, Philip Cohen, M.D., Marietta Georgia**

Collaborated with Philip Cohen M.D. in a private practice sitting in the management of acute and chronic illness in adults and children. Actively encouraged individual responsibility for personal health, and strategies to promote health and prevent illness among clients.

**Lawrenceville Regional Youth Development Center, Lawrenceville Georgia**

Clinician/administrator of health clinic for a 300-bed capacity adolescent detention facility. Provided physical examination services and evaluation of acute illness in collaboration with the physician consultant. Provided phone consultation for the center. Referred to local agencies when appropriate.

**Staff Nurse, Level II**  
**Emory University Hospital**

**October 1978-September 1980**

Developed expertise in the pre- and post-operative care of adults requiring cardiovascular surgery. Provided teaching and counseling prior to discharge to the home setting. Oriented new staff to the cardiovascular unit. Frequently acted as charge nurse of the unit.

**EXPERT WITNESS**

I have testified as a health care expert in court or by deposition, or provided an opinion in the following cases:

Reed v. Cook County et al. Court No: 03 L 010075, September 2006 (Deposition). Plaintiff expert.
