Description of Project/Bid: This contract will provide the Miami-Dade Police Department with access to CLEAR Online Investigative Software. CLEAR is a secure, web-based investigative interface that allows investigators and analysts to easily access billions of public records and related information. CLEAR will be used by MDPD to locate people, verify identities, identify business and business affiliations, and other personal information. This information will assist officers in the investigation of criminal activity. CLEAR has been in use by Miami-Dade County since 2001. It was originally purchased through a GSA schedule and most recently through Contract No. E9851-PD.
