Reasons for Recommendation

BID PREFERENCE - This project meets all the criteria set forth in I.O. # 3-41.

The Commodity Code submitted with the project (89049) had no certified SBE firms; subsequent, three additional Codes were added: of the more than seventy (70) SBE firms certified in the required Commodity Codes, four (4) responded as not being interested and/or having the experience to cover the scopes of services. SBD sought, to place a sub-contractor goal on the project; however, WASD expressed concerns as to any subcontracting for a "Turn-Key" operation (as this project is).
