2.2 TERM OF CONTRACT: SIXTY (60) MONTHS

This contract shall commence upon approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter which is distributed by the County's Department of Procurement Management, and contingent upon the completion and submittal of all required bid documents. The contract shall remain in effect for five (5) years and shall expire at the end of the five (5) year period.

2.3 METHOD OF AWARD

Award will be made to the lowest, responsive and responsible Vendor who submits the lowest price for the item being awarded. If the Awarded Bidder defaults, the County shall have the right to negotiate with the next responsive responsible bidder. Award of this project is contingent upon the approval of the rejection for the previously released project IB-00443 Immobilization Backboards.

2.4 PRICES SHALL BE FIXED

If the Vendor is awarded a contract under this solicitation, the prices proposed by the Vendor shall remain fixed for the term of the contract. This report can be accessed at www.bls.gov/cpi.

Ninety (90) days prior to the expiration of the then anniversary date, the Vendor may submit a price adjustment to the County.

It shall be further understood that the County reserves the right to reject any price adjustments submitted by the Vendor and/or to terminate the contract with the Vendor based on such price adjustments.

In these cases, the Vendor shall notify the County of the delay in advance of the original delivery date so that a revised delivery schedule may be appropriately considered by the County.

Should the Vendor to whom the contract is awarded fail to deliver in the number of days as stated above, the County reserves the right to cancel the contract on a default basis after any back order period that has been specified in this contract has lapsed. If the contract is so terminated, it is hereby understood and agreed that the County has the authority to purchase the goods elsewhere and to charge the incumbent Vendor with any re-procurement costs. If the Vendor fails to honor these re-procurement costs, the County may terminate the contract for default.

Certain County employees may be authorized in writing to pick-up materials under this contract. Vendors shall require written authorization. The Vendor shall maintain a copy of the authorization.
