

**SECTION 2**  
**SPECIAL TERMS AND CONDITIONS**

**2.1 PURPOSE**

The purpose of this solicitation is to establish a contract for the purchase of bio-hazardous waste disposal, incineration services, and supplies throughout Miami Dade County (County).

**2.2 TERM OF CONTRACT**

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Blanket Purchase Order issued by the Internal Services Department, Strategic Procurement Division. The contract shall expire on the last day of the last month of the three-year term.

**2.3 METHOD OF AWARD**

Award of this contract will be made to the lowest priced responsive, responsible bidder who meets the qualifications set for in the solicitation and whose offer represents the lowest price when all items are added in the aggregate. In order to be considered for award, Bidders must submit an offer for all items listed within this solicitation. Items that will be provided to the County at no cost must show a zero (0) in the price line. If a Bidder fails to submit an offer for all items, its overall offer may be rejected.

**QUALIFICATION REQUIREMENTS:**

In order to be considered for award of this contract, Bidders shall provide the following:

1. Bidder(s) shall assign a competent company representative who is cognizant of industry standards, and is authorized to discuss matters pertaining to the resultant contract, in order to provide the County with support and information. The company representative shall be able to communicate with the County and shall have full authority to act on behalf of the Bidder on all matters related to the resultant contract. Bidders are required to provide their designated company representative's name, phone number, and e-mail address.
2. Bidder(s) or Bidder's approved subcontractor shall provide three (3) references. These references must be from customers for whom the Bidder or Bidder's approved subcontractor have successfully provided bio-hazardous waste disposal services and supplies in similar capacity of the services being requested.
3. Bidder(s) or Bidder's approved subcontractor shall provide a valid Liquid Waste Transporter Operating Permit: Category: Biohazardous Waste, issued by Miami-Dade County.
4. Bidder(s) or Bidder's approved subcontractor shall provide a copy of its General Hauler Permit pursuant to Section 15.17 of the Miami-Dade County Code at the time of Bid Submittal.
5. Bidder(s) or Bidder's approved subcontractor shall provide a valid Biomedical Waste Transporter Permit issued by the State of Florida, Department of Health (DOH).
6. Bidder(s) or Bidder's approved subcontractor shall provide a current copy of the Biomedical Waste Treatment Operating Permit as required by the Department of Health (DOH) Form DH4111.
7. Bidder(s) or Bidder's approved subcontractor shall provide the address of and proof of ability to use an incineration service facility located within Miami-Dade, Broward, or Monroe Counties. Proof can be in the form of an authorization letter, documentation of ownership, or any other verifiable proof.

**2.4 CONTRACT MEASURES**

**Commented [MR1]:** Pending Project sheet from SBD

## **2.5 PRICES**

The prices resultant from this solicitation shall remain fixed for the term of the contract. The Bidder's price quoted shall be inclusive of all costs, charges, and fees involved in providing the specified service and products. Additional charges of any kind added to the invoice submitted by the Awarded Bidder will not be allowed.

## **2.6 DELIVERY**

The Awarded Bidder shall deliver supplies within two (2) calendar days after the date of the order. All deliveries shall be made in accordance with good commercial practice and all required delivery timeframes shall be adhered to by the Awarded Bidder; except in such cases where the delivery will be delayed due to acts of nature, strikes, or other causes beyond the control of the Awarded Bidder. In these cases, the Awarded Bidder shall notify the County of the delays in advance of the original delivery date so that a revised delivery schedule can be appropriately considered by the County.

## **2.7 PACKING SLIP/DELIVERY TICKET**

Awarded Bidder shall enclose a complete packing slip or delivery ticket with supplies delivered in conjunction with this contract. The packing slip/delivery ticket shall be made available to the County's authorized representative during delivery. The packing slip/delivery ticket shall include, at a minimum, the following information: purchase order number; date of order; a complete listing of items being delivered; and back-order quantities and estimated delivery of back-orders if applicable.

## **2.8 SUBCONTRACTING**

In accordance to Section 1.16 of this solicitation, an Awarded Bidder may employ any approved subcontractor(s) to perform duties set forth in this solicitation in whole or in part. Subcontractor(s) must adhere to the all Federal, State, and Local regulations, all permitting regulations and perform all duties as assigned in a safe effective manner.

## **2.9 COMPLIANCE / REGULATIONS**

The Awarded Bidder and/or any approved subcontractors shall adhere to the all permitting regulations posed by the State of Florida and Miami Dade County. If the Awarded Bidder and/or any subcontractor(s) are found to be outside of compliance corrective actions will be imposed that may result in termination of the Awarded Bidder and/or any subcontractor(s) according to Section 1.26 of this solicitation.

### **A. FEDERAL STANDARDS**

All items/services to be purchased under this contract shall be in accordance with all governmental standards, to include, but not be limited to meeting guidelines set forth in Chapter 64-E-16 F.A.C. as well as those stated in Section 1.57.

### **B. POLLUTION CONTROL**

It is the intent of these specifications to comply with Chapter 24 of the Miami-Dade County Code – Environmental Protection, Biscayne Bay and Environs Designated Aquatic Park and Conservation Area, the Biscayne Bay Environmental Enhancement Trust Fund, and the Environmentally Endangered Lands Program. This ordinance is made a part of these specifications by reference and may be obtained, if necessary, by the Bidder through the Miami-Dade County Department of Regulatory Economic Resources (RER) Division of Environmental Resource Management (DERM), telephone number: (305) 372-6789.

## **2.10 INSURANCE**

The following language replaces Section 1.22 Insurance Requirements, Paragraph A.

The Awarded Bidder shall furnish to the Outreach, Compliance and Support Team of SPD, 111 NW 1st Street, Suite 1300, Miami, Florida 33128, Certificate(s) of Insurance which indicate that insurance coverage has been obtained which meets the requirements as outlined below:

1. Workers Compensation Insurance for all employees as required by Florida Statute 440. Failure to maintain such insurance throughout the term of the contract shall be a cause for debarment under Section 10-38 of the Code of Miami-Dade County.
2. Commercial General Liability in an amount not less than \$1,000,000 per occurrence \$2,000,000 in the aggregate, including products and completed operations. **Miami-Dade County must be shown as an additional insured with respect to this coverage.**
3. Automobile Liability Insurance covering all owned, non-owned and hired vehicles in an amount not less than \$1,000,000 combined single limit.
4. Contractor's Pollution Liability (CPL) with a Transportation Pollution Liability (TPL) endorsement in an amount not less than \$1,000,000 per occurrence \$2,000,000 in the aggregate

#### **2.11 PURCHASE OF ANCILLARY SERVICES/SUPPLIES**

While the County has listed all major bio-hazardous waste disposal services and supplies within this solicitation which are utilized by County departments, there may be similar services or supplies that must be purchased by the County during the term of this contract. Under these circumstances, a County representative from the Internal Services Department, Strategic Procurement Division may obtain a price quote from the Awarded Bidder for similar services or supplies. The County reserves the right to award these services or supplies to the Awarded Bidder based on the price quoted, to negotiate a price with the Awarded Bidder for these similar services or supplies, or to acquire the services or supplies through a separate solicitation.

#### **2.12 CLEAN-UP**

All bio-hazardous waste materials shall be removed from the premises and disposed of in an appropriate manner. The Awarded Bidder shall clean up all areas where pick-up services have been conducted. Any spillage of waste on County property or any surrounding public right-of-ways shall be cleaned within two (2) hours or less, after notification by County personnel. Clean-up shall be in accordance with all Federal, State, and Local laws.

**SECTION 3**  
**SCOPE OF WORK/TECHNICAL SPECIFICATIONS**

**3.1 SCOPE OF WORK**

The purpose of this solicitation is to award a contract for bio-hazardous waste disposal services, incineration services, and supplies as specified herein. The Awarded Bidder shall furnish and provide all materials, labor, equipment and transportation necessary to perform all operations in connection with collection, removal and disposal of bio-hazardous waste, as requested by the County, under the resulting contract.

**3.2 GOODS/SERVICES TO BE PROVIDED**

**A. Pickup, Disposal & Exchange Services**

The Awarded Bidder shall provide the initial containers per location with liners. During servicing, containers shall be exchanged one-for-one per the service frequency table listed in Section 3.3 of this solicitation. The Awarded Bidder shall provide containers in the following sizes:

- 96 gallon bio-hazardous waste container
- 30 gallon bio-hazardous waste container
- 8 gallon sharp container
- 2 gallon sharp container
- 5.4 quart sharp container
- 1 quart sharp container
- Bio-hazard Cardboard Boxes

1. All containers provided by the Awarded Bidder, new or used, shall be properly emptied, cleaned, disinfected and in good working condition. All containers shall be clearly marked with the universal biological hazard symbol. The containers shall be leak-proof and with a waterproof lid that is lockable with locks included; all locks shall be keyed alike. The Awarded Bidder shall provide two (2) keys to each representative per service location. Containers shall be emptied of all bio-hazardous waste during each service. Waste shall be disposed as required by Federal, State, and Local laws.
2. The Awarded Bidder shall adhere to the pickup frequency set forth in Section 3.3 of this solicitation or as otherwise specified by the user department being serviced. All pickups shall be done Monday through Friday between the hours of: 7am to 7pm.
  - a. On Call Services – The County shall notify the Awarded Bidder within 24 hours of desired scheduled pickup.
  - b. Schedule Changes – The County shall notify the Awarded Bidder in writing within 48 hours of desired schedule change.
3. The containers shall be returned to the locations from which they were taken during the one for one exchange. The Awarded Bidder will be furnished proper access to containers for servicing. Any damaged or stolen containers shall be replaced at no additional charge to the County.
4. Temporary services and additional containers may be required. Temporary services are for special event(s) (e.g. Miami-Dade Youth Fair and Exposition, Festivals etc.) as required. This service shall be invoiced at the per container size, price per pick-up (proposed price in Section 4).

**B. Incineration Services**

The Awarded Bidder shall adhere to the incineration service frequency defined in Section 3.3 of this solicitation.

The County will require incineration service for unusable property, uniforms, bio-hazardous evidence, biological material or waste, narcotics, etc., on an as needed basis. The Awarded Bidder shall schedule and pickup items for incineration at the earliest dates/times mutually available.

Unusable property and items for incineration services may be delivered by a County representative or the County may request the Awarded Bidder to pick-up items at a specified location. A County representative may request to witness the total destruction of the items delivered. The incineration service facility shall be located within Miami-Dade County, Broward, or Monroe Counties. Bidders shall provide the address to the incineration facility that will be used.

Incineration services shall only be paid at a per pound price. A copy of the incineration receipt/invoice shall accompany the Awarded Bidder's invoice to the County.

**C. Supplies**

All liners, bags, and containers used to provide bio-hazardous waste disposal services shall comply with current Federal, State, and Local regulations, standards and codes for Bio-Hazardous Waste Disposal. The County may purchase items per case or per unit.

**D. Reporting**

The Awarded Bidder shall develop a chain of custody record keeping format that lists the names and addresses of the County's site manager; County's pickup site address; date and time of pick-up for each County facility; disposal site; estimated quantity of the waste collected and the type of containers used. The form shall be signed by the County's site manager, the Awarded Bidder, the disposal site operator and others listed in the chain of custody form as the responsibility for material changes hands.
