An analysis of the factors contained in Implementing Order 3-41, as well as, an analysis of the project package indicates a No Measure is appropriate for this solicitation due to the competitive bid process being waived (bid waiver).

Competition is being waived for this project as this solicitation is for an upgrade to MDPD's current system. The County determined that upgrading the current system would reduce training costs and that MDPD would be able to reuse certain components of the system. Also, the County has an inter-local agreement with the following agencies: Coral Gables Police Department, City of Aventura Police Department, City of Miami Police Department, Hialeah Police Department, Miami Beach Police Department, and the Village of Pinecrest Police Department. Each agency utilizes the same platform and MDPD acts as a backup for each agency. This allows dispatchers to work between the various call centers in the event of a natural disaster or emergency. There is also a Florida Statue the requires agencies to be complaint with Text-To-911 by January 2022.
