Reasons for Recommendation

SBD reviewed this project pursuant to Implementing Order 3-41 SBE-G/S measures. Project information analyzed included the project's scope of services, estimated project cost, minimum requirements/qualifications and funding source. Additional factors included surveys conducted with certified firms to determine availability and assignment of the noted measure. A **Bid Preference** is appropriate for this project.

There are five (5) SBE certified firms under these commodity codes, however only one (1) of them were able to meet the project requirements.
