Project/Contract Title: General Aeronautical Services Permit Received Date: 5/2/2022  
 Project/Contract No: RQID2100384 Funding Source: Revenue Generated  
 Department: Aviation  
 Estimated Revenue of Project/Bid: \$550,000,000  
 Description of Project/Bid: To establish individual nonexclusive General Aeronautical Services Permits with up to five (5) qualified firms (the Permittees) that provide general aeronautical services to commercial aircraft operators and airlines operating at Miami International Airport through contractual arrangements between the Permittees and the aircraft operators and air carriers in the areas of ramp, porter, dispatching, meteorological navigation, ticket counter, passenger services and other services requested.

Contract Measures Recommendation		
Measure	Program	Goal Percent
Goal	LDB	20%
Reasons for Recommendation		
<p>An analysis of the historical data and the project package indicates a twenty percent (20%) LDB goal is appropriate for this project. This measure will expand the availability of local firms to compete for airport business opportunities and provide opportunity for small local firms to participate in general aeronautical services at the airport.</p> <p>There are twenty five(25) LDB firms certified under these NACIS codes.</p> <p>NACIS 488190 - Other Support Activities for Air Transportation; 485999 - All Other Transit and Ground Passenger Transportation; 561612 - Security guards and patrol services; 541380 - Testing Laboratories; 448190 - Other Clothing Stores; 424720 - Petroleum and petroleum products merchant wholesalers (except bulk stations, terminals)</p>
