Reasons for Recommendation

SBD reviewed this project pursuant to Implementing Order 3-41 SBE-G/S measures. Project information analyzed included the project's scope of services, estimated project cost, minimum requirements/qualifications and funding source. Additional factors did include surveys and phone calls with certified firms to determine availability.

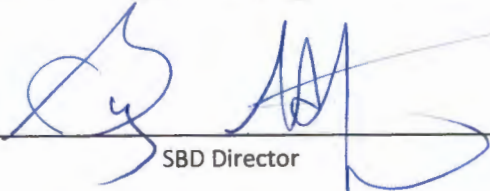

A **Bid Preference** is appropriate for this project.

There are eight (8) SBE certified firms under these commodity codes; however none of them responded as being able to meet the project requirements.
