Reasons for Recommendation		
SBD reviewed this project pursuant to Implementing Order 3-41 SBE-G/S measures. Project information analyzed included the project's scope of services, estimated project cost, minimum requirements/qualifications and funding source. Additional factors did include surveys with certified firms to determine availability.		
A No Measure is appropriate for this project as this is a Legacy Contract awarded to International Business Machines Corp. (IBM).		
There are seven (7) SBE certified firms under this commodity code; however none of them responded as being able to meet the project requirements.
