SECTION 3: TECHNICAL SPECIFICATIONS

3.1 SCOPE OF WORK

This Request to Qualify (RTQ) will establish a Pre-qualified Pool of Vendors to furnish ice and related items for Miami-Dade County on an as needed basis. Items to be provided include but are not limited to the following:

- Block Ice
- Crushed or Snow Ice
- Cube Ice
- Dry Ice pellets

Ice must meet the bacteriological standard for drinking water. Crushed and cubed ice used for food or drink preparation is to be delivered in poly bags as per Health Department regulations. Ice must be clean and no broken bags will be accepted.

Additionally, other items such as ice making machines, ice boxes amongst other items, may be quoted during the term of the contract.
