Reason for Recommendation

Each spot market quote under this solicitation must be submitted to SBD for review.

SBD reviewed this project pursuant to Implementing Order 3-41 for SBE-Goods and/or Services. Project information analyzed included the project's scope of services, estimated project cost, minimum requirements/qualifications and funding source. Additional factors included the Verification of Availability process, which included follow-up phone calls to determine availability and assignment of the noted measures. Three (3) SBE firms certified in the commodity code below were contacted through the Verification of Availability process; however, three (3) or more did not respond as being able to meet the prequalification requirements. The following measures are applicable to this solicitation:

Set-Aside: when the funding source allows the application of small business measures and the value of the spot market quote is under \$250k and there are two (2) or more SBE firms prequalified under this pool capable of providing the requested good(s) and/or service(s) or when the value of a spot market quote is above \$250k and there are three (3) or more SBE firms prequalified under this pool capable of providing the requested good(s) and/or service(s).

Bid Preference: when the funding source allows the application of small business measures a Set-Aside is not applicable.

No Measure: when the funding source precludes the application of small business measures.

Miami Dade Living Wage Rate does apply per article (F)(1) of Sec.2-8.9 of the Code, Living Wage Ordinance. The living wage will be determined at the time of each spot market quote.

The work description code assigned based on the scope of service(s) is:
