Reasons for Recommendation

SBD reviewed this project pursuant to Implementing Order 3-41 for SBE-Goods and/or Services. Project information analyzed included the project's scope of services, estimated project cost, minimum requirements/qualifications and funding source. Additional Factors did include surveys and phone calls with certified firms to determine availability.

Set-Aside: when the value of a spot market quote is under \$250k and there are two (2) SBE firms per-qualified under this pool capable of providing the requested good(s) and/or service(s) or when the value of a spot market quote is above \$250k and there are three (3) or more certified SBE firms pre-qualified under this pool capable of providing the requested good(s) and/or service(s).

Bid Preference: when a Set-Aside is not applicable and the funding source allows the application of small business measures.

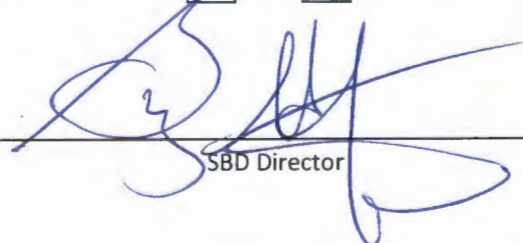

No Measure: when the funding source precludes the application of small business measures.

There are seven (17) SBE certified firms under these commodity codes, however only one (1) of them responded as being able to meet the project requirements.
