PLEASE MAKE SURE YOUR
**OLD MATTRESS IS
ENCASED IN A PLASTIC
MATTRESS BAG.**

**IT'S THE LAW
IN MIAMI-DADE
COUNTY!**

Miami-Dade County Code of Ordinances, Section 15-2(f), requires residents placing mattresses at the curbside for bulky waste pickup to encase the mattress completely within a plastic mattress bag or mattress sleeve.* The mattress should be fully encased—all sides should be covered—and then the mattress bag or mattress sleeve should be sealed with a weather-resistant tape such as packing tape or duct tape.

**VIOLATIONS OF THIS ORDINANCE COULD
RESULT IN A \$100 FINE.**

So please be sure to cover your old mattress completely when you place it outside for a bulky waste pickup!

**This requirement does not apply if you're disposing of a mattress at a Trash and Recycling Center that accepts mattresses or if a company delivering new bedding to your home has agreed to take your old mattress for disposal.*

**VYOLASYON ÒDONANS SA A KAPAB

**Egzijans sa a pa aplike si w ap jete yon matla nan yon Sant Fatra ak Resiklaj ki aksepte matla oswa si yon konpayi k ap livre nouvo kabann lakay ou dakò pran vye matla w lan pou jete li.*
