All authorized non-ad valorem assessments will be included on the 2022 Combined Property Tax Bill distributed in October, and collected by the Tax Collector. Per Florida Statutes, failure to pay non-ad valorem assessment(s) when due [payable November 1 through March 31] will cause issuance of a tax certificate against the property, which may result in loss of title.

A non ad-valorem assessment is a special assessment or service charge which is not based upon the value of the property and millage. The collection of residential solid waste is the service funded by the non-ad valorem assessment being considered/adopted in this proposed assessment roll.
