Section 197.222, Florida Statute, allows a taxpayer to prepay property taxes by an installment payment method. A taxpayer who chooses to pay taxes by the installment method will make quarterly payments based on an estimated tax equal to the actual taxes levied on the property in the prior year. Under Florida law, your estimated taxes must be more than \$100 for each tax notice to qualify. If your estimated taxes for 2022 are \$100 or less you do not qualify for this plan.
