Dear potential sponsor,

At the Miami-Dade County Office of the Tax Collector, we have served the Miami-Dade County community for years. This year, we are embarking on a program aimed to raise money for Miami-Dade County Public Schools through the Kids Tag Art (KTA) project.

KTA is an educational fundraising project designed to benefit elementary visual arts programs in local elementary schools. The program gives fifth grade students an opportunity to create a unique design that can be made into a front-end license plate for purchase by family members, friends and the community. All proceeds are distributed to participating elementary school teachers for their classrooms. Students learn how Florida specialty license plates support various worthy causes across the state.

We know our efforts will go even farther with you as one of our sponsors. Would you consider sponsoring our program and/or donating an item for raffle to our taxpayers? See the attached Sponsorship Levels Document to find the level that's right for your company. If you're ready to make a donation, please use the enclosed donation slip to indicate your selection and send back to us in the enclosed self-addressed envelope. In return for your generous support, we will provide the items described in the attached sponsorship package. If you would like to donate an item to raffle, please send it to the address in the letterhead.

Thank you in advance for your generosity. For questions regarding the Kids Tag Art program, please contact us at [TC-KTA@miamidade.gov](mailto:TC-KTA@miamidade.gov). We're very excited about this potential sponsorship.

Sincerely,

*Peter Cam*

Peter K. Cam, CFC  
Tax Collector

Today's young minds are tomorrow's best investments.
