INFORMS Users,

Currently, we are receiving reports that users are experiencing issues in INFORMS related to an Embedded Page message in Chrome.

Kindly note this is a browser issue due to a recent Chrome update, **not an INFORMS issue**. In the meantime, you have two options as a workaround:

1. Use EDGE instead of Chrome
2. Uninstall and reinstall Chrome

The ITD technical team is aware of the issue and is currently working on a resolution.

We apologize for the inconvenience and appreciate your continued support!

As a reminder, if you encounter any system issues, please report them directly to the ITD Service Desk via the self-service portal at: <http://myit.miamidade.gov> or by dialing 305-596-HELP (4357).

Thank you,
INFORMS Team
