

Miami-Dade County Department of Transportation and Public Works (DTPW) Bus Shelter Illumination Report – June 2020

Pursuant to R-454-14, attached please find the Miami-Dade Department of Transportation and Public Works' (DTPW) June 2020 monthly report on bus passenger shelter illumination for shelters located in unincorporated Miami-Dade County (County).

Bus Passenger Shelter Illumination and Repairs (LED lighting upgrade):

- There are 824 bus passenger shelters in the County with a backlighting advertising box that provides illumination at the shelter.
- As of June 30, 2020, 775 bus shelters (94.05 percent) are illuminated. Maintenance and repairs of both illuminated and non-illuminated bus shelters are made in an ongoing process.
- The vendor (Outfront Media) has an ongoing preventative maintenance program in place for the inspection of all new LED lighting system components to ensure that the bus shelters illuminate during the evening hours.

Bus Passenger Shelter Maintenance:

- Outfront Media maintenance staff continues to repair vandalized bus shelters located throughout the County, with 73 glass panels replaced in June 2020.
- 46 batteries were replaced in a total of 46 illumination systems during the month of June 2020.
- Preventive electrical and mechanical maintenance was performed in a total of 74 shelters in June 2020.
- None advertising shelter # 804 located at SW 268 Street and SW 119 PL, going east, far side of the intersection, Commissioner District 9 was removed due to an FDOT Project that is going in the area at this point. Shelter will be reinstalled after the project is completed, if the new site conditions are meeting the necessary ADA regulations.
