

Pursuant to R-454-14, attached please find the Miami-Dade Department of Transportation and Public Works' (DTPW) October 2020 monthly report on bus passenger shelter illumination for shelters located in unincorporated Miami-Dade County (County).

Bus Passenger Shelter Illumination and Repairs (LED lighting upgrade):

- There are 824 bus passenger shelters in the County with a backlighting advertising box that provides illumination at the shelter.
- As of October 31, 2020, 787 bus shelters (95.50 percent) are illuminated. Maintenance and repairs of both illuminated and non-illuminated bus shelters are made in an ongoing process.
- The vendor (Outfront Media) has an ongoing preventative maintenance program in place for the inspection of all new LED lighting system components to ensure that the bus shelters illuminate during the evening hours.

Bus Passenger Shelter Maintenance:

- Outfront Media maintenance staff continues to repair vandalized bus shelters located throughout the County, with 86 glass panels replaced in October 2020.
- 66 batteries were replaced in a total of 66 illumination systems during the month of October 2020.
- Preventive electrical and mechanical maintenance was performed in a total of 102 shelters in October 2020.
- None advertising bus passenger shelter # 1077 located at SW 216 Street and SW 114 Avenue, going east, far side of the intersection. Commissioner District # 9 has been reinstalled after receiving notification that construction work in the area has been completed.
