

Pursuant to R-454-14, attached please find the Miami-Dade Department of Transportation and Public Works' (DTPW) January 2021 monthly report on bus passenger shelter illumination for shelters located in unincorporated Miami-Dade County (County).

Bus Passenger Shelter Illumination and Repairs (LED lighting upgrade):

- There are 822 bus passenger shelters in the County with a backlighted advertising box that provides illumination at the shelter.
- As of January, 2021, 784 bus shelters (95.38 percent) are illuminated. Maintenance and repairs of both illuminated and non-illuminated bus shelters are made in an ongoing process.
- The vendor (Outfront Media) has an ongoing preventative maintenance program in place for the inspection of all new LED lighting system components to ensure that the bus shelters illuminate during the evening hours.

Bus Passenger Shelter Maintenance:

- Outfront Media maintenance staff continues to repair vandalized bus shelters located throughout the County, with 64 glasses panels replaced in January 2021.
- 66 batteries were replaced in a total of 66 illumination systems during the month of January 2021.
- Preventive electrical and mechanical maintenance was performed in a total of 195 shelters in January 2021.
- Bus Passenger shelter # 742 located at SW 216 Street and SW 112 Avenue, going west, far side of the intersection, Commissioner District # 9; and Bus passenger Shelter # 616 located at NW 47 Avenue and NW 199 Street , going south, far side of the intersection, Commissioner District # 1 have been temporarily removed due to a road improvement projects. Bus shelters in question will be reinstalled as soon as we get notification that the construction work in the area has been completed, and after verification that the ROW available left at the sites is enough to install the shelters back and be ADA compliance at the same time.
