4.0 General Information

The ARRA of 2009 Projects encompass Transit related enhancements and bus purchases for the County and municipalities in Miami-Dade County. Interlocal Agreements have been executed between Miami-Dade County and each Municipality.

For Transit related ARRA enhancement projects, the OCI will work closely with MDT staff to ensure that capital construction contracts are in compliance with the FTA requirements. In addition, OCI will independently certify to the Assistant County Manager, that ARRA solicitations (contract) awards for capital construction contracts are in compliance with the FTA requirements. Before any invoice is paid on capital construction contracts, work performed will be signed off by MDT's Project Managers.

For goods and/or services purchases, the DPM will work closely with MDT staff to ensure that the contract document conforms to the FTA procurement requirements. In addition, DPM will independently certify to the Assistant County Manager, that the ARRA solicitation is in full compliance with the FTA procurement requirements.

The OCI is responsible for soliciting Architectural & Engineering contracts and construction contracts under \$2.5 million and coordinating their approval through the Mayor or Designee. Construction contracts under \$2.5 million are advertised by MDT. It is also responsible for the Equitable Distribution Program (EDP) which provides the County with a pool of architectural and engineering firms for various miscellaneous projects under \$2 million in construction value. DPM is responsible for soliciting contracts for goods and/or services and coordinating their approvals through the Mayor or Designee. MDT will confirm that the vendor have met Post Buy America Requirement prior to MDT making final payment.

Miami-Dade Transit, Department of Procurement Management and Office of Capital Improvements will include the solicitations and signed contracts as part of the reimbursement documentation.

5.0 Procedure

1. MDT's Grant Accountant generates the Summary and Detail Expenditure Reports from Miami-Dade County's Financial and Management Information System (FAMIS). The detail report is a transaction level report which includes check number, vendor number, vendor name and amount information. The MDT's Grants Manager and the Grant Accountant review the reports and determine which grant activities or cost objectives are ready for reimbursement.
2. The Grants Manager and the Grant Accountant will compile a reimbursement package which includes:
 - a) ARRA Request for Reimbursement Certification. (See attached Form)
 - b) The SF 270 Form or ECHO Control Request Form, as applicable. (See attached Form)
 - c) The Billing Summary (prepared by MDT) which includes cost code, description, detail expenditures, amount.
 - d) Copies of check files including invoices and other supporting documents, with its corresponding Invoice Approval Checklist (See attached Form). This Form has been developed to strengthen the invoice process. This Form will be attached to each invoice to be processed and routed for appropriate approvals prior payment.
 - e) The Certificate of Acceptance (applicable only at the completion of the project), will be attached to the final request for reimbursement, for each Municipality. (See attached Form)
3. The Accounting Manager and the Grants Manager reviews the request for reimbursement package and supporting documentation for completeness, accuracy and initials and signs the Approval Routing Slip as evidence of review.

				Alina T. Hudak	

4. DPM and OCI will independently certify to the Assistant County Manager and Mayor or Designee that the ARRA solicitation is in full compliance with the FTA procurement requirements.

5. The MDT Controller and Assistant Director certify that appropriate reviews have been performed and proper supporting documentation is attached to the reimbursement package. The MDT Controller and Assistant Director of Finance will authorize the approval of the request for reimbursement by reviewing the package, signing and dating the SF 270 or ECHO Control Request Form.

6. The MDT Director approves, signs and dates the ARRA Request for Reimbursement Certification certifying that all outlays were made in accordance with the intended purpose contained within the scope of the ARRA projects.

7. The Assistant County Manager approves, signs and dates the ARRA Request for Reimbursement Certification certifying that all outlays were made in accordance with the intended purpose contained within the scope of the municipalities' ARRA projects. Reviews the supporting documentation for approval.

8. Mayor or Designee reviews the supporting documentation, approves, signs and dates the ARRA Request for Reimbursement Certification, certifying that all outlays were made in accordance with the intended purpose contained within the scope of the ARRA projects. Certifies and submits the request for reimbursement with supporting documentation to FTA for approval. Written confirmation from the Mayor or Designee will be sent to FTA confirming that the Procurement originated as a federal contract, and/or meets all federal requirements including all applicable federal clauses. Further, written confirmation will be sent from the Mayor or Designee to the FTA confirming that neither 2% User Access Program (UAP) nor Inspector General (IG) fee was in the solicitation, contract nor charged to the invoices.

9. Once authorized by the FTA, the Accounting Manager inputs the amounts in the ECHO system to process FTA's approved request for reimbursement. MDT Controller verifies the information inputted in the ECHO system against the back-up documentation before the drawdown is submitted. The Accounting Manager prints the ECHO-Web Payment report and attaches it to the reimbursement package.

10. The Grant Accountant files the copies of the request for reimbursement package in a secured centralized filing area. The documents are maintained in accordance with FTA records retention requirements.

4.0 General Information

Miami-Dade Transit (MDT) is the 14th largest public transit system in the country (based on passenger trips) and the largest transit agency in Florida. The support provided by the Federal Transit Administration (FTA) ensures a safe, efficient, accessible, and convenient transportation system that meets the needs of our community and enhances the quality of life for those who reside in and visit Miami-Dade County. The FTA partnership with MDT is essential in the County’s Transportation Mission Statement: “To provide a seamless, efficient, intermodal transportation system that enhances mobility throughout our neighborhoods and region, and expedites domestic and international commerce.

The OCI will work closely with MDT staff to ensure that capital construction contracts are in compliance with the FTA requirements. In addition, OCI will independently certify to the Assistant County Manager, that solicitations (contract) awards for capital construction contracts are in compliance with the FTA requirements. Before any invoice is paid on capital construction contracts, work performed will be signed off by MDT’s Project Managers.

For goods and/or services purchases, the DPM will work closely with MDT staff to ensure that the contract document conforms to the FTA procurement requirements. In addition, DPM will independently certify to the Assistant County Manager, that the solicitation is in full compliance with the FTA procurement requirements.

Title of Procedure:	Federal Reimbursement Request Procedures for FTA Grants.	Procedure Number		Approval Date

The OCI is responsible for soliciting Architectural & Engineering contracts and construction contracts under \$2.5 million and coordinating their approval through the Mayor or Designee. Construction contracts under \$2.5 million are advertised by MDT. It is also responsible for the Equitable Distribution Program (EDP) which provides the County with a pool of architectural and engineering firms for various miscellaneous projects under \$2 million in construction value. DPM is responsible for soliciting contracts for goods and/or services and coordinating their approvals through the Mayor or Designee. MDT will confirm that the vendor have met Post Buy America Requirement prior to MDT making final payment.

Miami-Dade Transit, Department of Procurement Management and Office of Capital Improvements will include the solicitations and signed contracts as part of the reimbursement documentation.

The Miami-Dade Transit Deputy Director for Operation will review and confirm certifications and supporting documentation for labor charges in preventive maintenance operating grants.

5.0 Procedure

1. MDT's Grant Accountant generates the Summary and Detail Expenditure Reports from Miami-Dade County's Financial and Management Information System (FAMIS). The detail report is a transaction level report which includes check number, vendor number, vendor name and amount information. The MDT's Grants Manager and the Grant Accountant review the reports and determine which grant activities or cost objectives are ready for reimbursement.
2. The Grants Manager and the Grant Accountant will compile a reimbursement package which includes:
 - a) Request for Reimbursement Certification. (See attached Form)
 - b) The SF 270 Form or ECHO Control Request Form, as applicable. (See attached Form)
 - c) The Billing Summary (prepared by MDT) which includes cost code, description, detail expenditures, amount.
 - d) Copies of check files including invoices and other supporting documents, with its corresponding Invoice Approval Checklist (See attached Form). This Form has been developed to strengthen the invoice process. This Form will be attached to each invoice to be processed and routed for appropriate approvals prior payment.
3. The Accounting Manager and the Grants Manager reviews the request for reimbursement package and supporting documentation for completeness, accuracy and initials and signs the Approval Routing Slip as evidence of review.

Title of Procedure:	Federal Reimbursement Request Procedures for FTA Grants.	Procedure Number		Approval Date	
Revision No.:	Draft (6/14/11)	Approval Signature		(Print Name)	
				Alina T. Hudak	

4. DPM and OCI will independently certify to the Assistant County Manager and Mayor or Designee that the solicitation is in full compliance with the FTA procurement requirements.
5. The MDT Deputy Director will reviews and confirm certification and supporting documentation for labor charges in preventive maintenance operating grants and approves, signs and dates the Preventive Maintenance Labor Certification form.
6. The MDT Controller and Assistant Director certify that appropriate reviews have been performed and proper supporting documentation is attached to the reimbursement package. The MDT Controller and Assistant Director of Finance will authorize the approval of the request for reimbursement by reviewing the package, signing and dating the SF 270 or ECHO Control Request Form.
7. The MDT Director approves, signs and dates the Request for Reimbursement Certification certifying that all outlays were made in accordance with the intended purpose contained within the scope of the FTA projects and forwards to the Assistant County Manager.
8. The Assistant County Manager approves, signs and dates the Request for Reimbursement Certification certifying that all outlays were made in accordance with the intended purpose contained within the scope of the FTA grant, reviews the supporting documentation for approval.
9. Mayor or Designee reviews the supporting documentation, approves, signs and dates the Request for Reimbursement Certification, certifying that all outlays were made in accordance with the intended purpose contained within the scope of the FTA projects. Certifies and submits the request for reimbursement with supporting documentation to FTA for approval. Written confirmation from the Mayor or Designee will be sent to FTA confirming that the Procurement originated as a federal contract, and/or meets all federal requirements including all applicable federal clauses. Further, written confirmation will be sent from the Mayor or Designee to the FTA confirming that neither the 2% User Access Program (UAP) nor Inspector General (IG) fee was in the solicitation, contract nor charged to the invoices.
10. Once authorized by the FTA, the Accounting Manager inputs the amounts in the ECHO system to process FTA's approved request for reimbursement. MDT Controller verifies the information inputted in the ECHO system against the back-up documentation before the drawdown is submitted. The Accounting Manager prints the ECHO-Web Payment report and attaches it to the reimbursement package.

Title of Procedure:	Federal Reimbursement Request Procedures for FTA Grants.	Procedure Number		Approval Date	
Revision No.:	Draft (6/14/11)	Approval Signature		(Print Name)	
				Alina T. Hudak	

11. The Grant Accountant files the copies of the request for reimbursement package in a secured centralized filing area. The documents are maintained in accordance with FTA records retention requirements.

12. The Grant Accountant follows up with the Central Finance Department's Bank Reconciliation Unit for confirmation of receipts of funds from FTA and prepares the wire transfer entry to record receipt of funds in the general ledger.

13. The MDT Controller reviews the wire transfer entry and compares it to ECHO drawdown and approves the entry. Journal Entry must be accompanied with copy of authorized ECHO drawdown form and forwards to Finance Department for posting in the County's general Accounting System (FAMIS) which is under the supervision of the County's Finance Controller.
