Retail Customer Service Sub-unit

Typical Customer Owned Sub-meter Installation

## Sub-meter Installation Instructions

1. Must use rectangular box to accommodate both the sub-meter and shut-off valve.
2. Must have shut-off valve on inlet side of meter (before meter).
3. Must place sub-meter box within 10' feet of main meter, easily accessible to meter reader.
4. Must call Retail Customer Service Sub-unit at (786) 552-8806 when installation is complete for final inspection in order to obtain sewer credit (a \$50.00 service charge per sub-meter will be assessed for passed or failed inspections and an additional \$25.00 service charge per sub-meter for each follow-up inspection on failed installations until approval is obtained).
