

Pump Station Improvement Program

Commission District 1 Projects
Commissioner Barbara Jordan

Projects at a Glance:

- Miami-Dade Water and Sewer Department is investing more than six (6) million dollars in infrastructure upgrades in District 1
- Upgrades will be made to twelve (12) sanitary sewer pump station, three (3) of which will be implemented within the next 18 months.
- Seven (7) new wastewater force mains have been installed.
- All the construction work that will be done under the PSIP will be performed by small local business thus encouraging the local economy
