

Pump Station Improvement Program

Commission District 12 Projects
Commissioner Jose “Pepe” Diaz

Projects at a Glance:

- Miami-Dade Water and Sewer Department is investing more than ten (10) million dollars in infrastructure upgrades in District 12.
- Upgrades will be made to eleven (11) sanitary sewer pump stations, of which four (4) will be implemented within the next 18 months.
- Two (2) new wastewater force main have been installed
- All the construction work that will be done under the PSIP will be performed by small local business thus encouraging the local economy
