

Pump Station Improvement Program

Commission District 3 Projects
Chairwoman Audrey Edmonson

Projects at a Glance:

- ◆ Miami-Dade Water and Sewer Department is investing more than one (1) million dollars in infrastructure upgrades in District 3
- ◆ Upgrades will be made to three (3) sanitary sewer pump stations, one (1) of which will be implemented within the next 18 months
- ◆ One (1) new wastewater force mains has been installed
- ◆ All the construction work that will be done under the PSIP will be performed by small local business thus encouraging the local economy
