

Pump Station Improvement Program

Commission District 6 Projects
Vice Chairwoman Rebeca Sosa

Projects at a Glance:

- Miami-Dade Water and Sewer Department is investing more than two (2) million dollars in infrastructure upgrades in District 6
- Upgrades have been made to four (4) sanitary sewer pump stations
- One (1) new wastewater force main has been installed
- All the construction work that will be done under the PSIP will be performed by small local business thus encouraging the local economy
