

Pump Station Improvement Program

Commission District 7 Projects
Commissioner Xavier L. Suarez

Projects at a Glance:

- Miami-Dade Water and Sewer Department is investing more than six (6) million dollars in infrastructure upgrades in District 7
- Upgrades will be made to seven (7) sanitary sewer pump stations and two (2) new wastewater force mains. All nine (9) projects have already been completed
- All the construction work that will be done under the PSIP will be performed by small local business thus encouraging the local economy
