

MIAMI-DADE WATER AND SEWER DEPARTMENT
HIGH-EFFICIENCY FIXTURE REBATE PROGRAM
SENIOR RESIDENTIAL REBATE

REBATE AGREEMENT – RELEASE OF LIABILITY

The rebate amount will be made payable to the applicant or credited to their Water & Sewer account. The Miami-Dade Water and Sewer Department (WASD) may deny any application that does not meet all Program requirements. Requirements can be obtained by reading the *Program Terms and Conditions for Participation* on the back of this form. **WASD reserves the right to alter this Program at any time.** Rebates shall be issued on a first-come, first-served basis provided Program funding exists. WASD reserves the right to modify Program funding at its discretion, and no person applying for a rebate shall be guaranteed or entitled to receive a rebate. WASD does not partner with any entity to promote the Program or endorse any product associated with the Program or that would qualify for a rebate. Visit www.miamidade.gov/waterconservation for the most current information on rebate qualifications and funding.

The Applicant agrees to allow WASD to inspect all fixtures/installations as a condition for obtaining a rebate under this Program. WASD does not endorse or recommend any high efficiency items approved for a rebate. WASD is not responsible for the quality of the items purchased and does not warrant or guarantee any product, nor any fixture comprising a component in any fixture or its installation. WASD does not represent that any particular fixture is suitable for installation at a given location and disclaims all warranties of suitability or fitness for any purpose. WASD does not warrant or guarantee lower water bills as a result of participating in the Program. WASD is not responsible for any damage that may occur to applicant's property as a result of removing the old fixture or installing the new fixture under this Program. The Applicant acknowledges that installation of a fixture may require a building permit and the retention of a licensed contractor. Nothing herein shall prevent or stop Miami-Dade County from enforcing the terms of any portion of the Code of Miami-Dade County, the Florida Building Code and any permit issued thereto, or any other rule, statute, ordinance, or requirement, and no rebate shall be provided for work performed in contravention of any of the preceding. The Applicant is solely responsible for permitting and retention of a licensed contractor to perform the installation work.

The Applicant agrees to hold harmless WASD, its directors, officers, and employees from and against all loss, damage, expense and liability resulting from or otherwise relating to the purchase, installation, use, or removal of a fixture. I certify that I have read, understand, and agree to the terms and conditions of this rebate Program, including the Program Terms and Conditions for Participation in the section below.

Program Terms and Conditions for Participation

1. For applications with a Miami-Dade Water & Sewer Department (WASD) water account a credit in the amount of qualifying rebate(s) will be applied to your account, otherwise a check will be sent. This Program is for Miami Dade County property owners whose homes were constructed prior to 1996, have a Senior Exemption on their property taxes and occupy the residence full time. **A Senior Exemption is an additional property tax benefit available to homeowners 65 and older.** To qualify, a homeowner must meet the following criteria:
 - a. The property must qualify for a Homestead Exemption

- b. At least one homeowner must be 65 as of January 1 of this year
 - c. Total 'Household Adjusted Gross Income' for everyone who lives on the Property cannot exceed statutory limits. Visit [Florida Property Tax Valuation and Income Limitation Rates](#) to view the household income limitation.
2. **High Efficiency Toilet(s) (HET)** – A maximum of two (2) toilet rebates per Miami-Dade County residence. For rebate amounts please visit www.miamidade.gov/waterconservation or call 3-1-1. **Only EPA WaterSense certified models are eligible- NO substitutions will be accepted under this program.**
3. **The maximum number of rebate amounts allowed over the life of the property shall apply:**

Qualified Retrofit	Maximum Possible Rebate	Maximum Number per Property
WaterSense-certified Toilet	<ul style="list-style-type: none"> • Actual cost up to \$100 for first toilet • Actual cost up to \$75 for second toilet 	Two (2)
Installation of Fixtures by a Licensed Professional Contractor	<ul style="list-style-type: none"> • Actual cost up to \$100 for installation of one toilet only • Actual cost up to \$125 for installation of two toilets only 	Two (2)

4. To qualify for an installation rebate, the name, address, and license number of the installation contractor must be clearly listed on the invoice as well as the customer name and installation address. Rebates for installation **will only be issued** for work performed by licensed contractors. To verify a business or profession license, visit <http://www.myfloridalicense.com/DBPR/online-services/>
5. Rebates shall be provided on a first-come, first-served basis until Program funds are expended. This Program is subject to available funds and WASD reserves the right to alter Program funding or Program requirements at any time without notice. WASD does not guarantee that Program funding shall be sufficient that all persons submitting applications shall receive a rebate. Visit www.miamidade.gov/waterconservation for the most current information on rebate qualifications and funding.
6. **Sales receipt(s) for new fixture(s) must be submitted with the rebate application. NOTE: SALES RECEIPT MUST INCLUDE METHOD OF PAYMENT (i.e. credit card, PayPal, cancelled check, bank statement, etc.).**
7. **Incomplete applications and those without a sales receipt will be returned to the applicant.** All receipts must show the itemized price for each item and/or service for which the rebate(s) is/are being requested and the receipt must show that the items/services were paid for in full.
8. Qualifying fixture(s) must be installed in a manner which complies with all applicable laws, ordinances and building codes before submitting the rebate.
9. WASD reserves the right to inspect fixtures prior to issuing a rebate.
10. This rebate does not cover new construction.
11. WASD is not responsible for rebates checks lost or delayed in the mail. Rebates shall be deemed to be received by the applicant upon mailing by WASD.
12. WASD reserves the right to inspect fixture installation prior to issuing a rebate.
13. WASD reserves the right to deny any application that does not meet Program requirements herein.
