# FACT SHEET

## Wastewater Line Replacement

### BACKGROUND

On April 9, 2014, the United States District Court for the Southern District of Florida authorized a Consent Decree between Miami-Dade County, the United States of American, the State of Florida, and the Florida Department of Environmental Protection, for improvements to the County's wastewater collection system.

### PROJECTED SCHEDULE

Construction began in February 2015, with an expected duration of nineteen (19) months.
