FACT SHEET

Wastewater Line Installation

Background

On April 9, 2014, the United States District Court for the Southern District of Florida authorized a Consent Decree between Miami-Dade County, the United States of America, the State of Florida, and the Florida Department of Environmental Protection, for improvements to the County’s wastewater collection system. The Consent Decree requires a number of operational and maintenance improvements to Miami-Dade’s water and sewer system. The rehabilitation of wastewater lines for Consent Decree Project 4.9 (24) is part of this program.

Projected Schedule

Construction will begin in August 2016, with an expected duration of three (3) months.
