

# Project at a Glance

Consent Decree Project 5.16 (1)

Pump Station #0198 (6991 NW 84 Avenue) upgrades include:

- Installation of new submersible pumps
- Installation of new electrical equipment

# FACT SHEET

## Pump Station Upgrade

### BACKGROUND

On April 9, 2014, the United States District Court for the Southern District of Florida authorized a Consent Decree between Miami-Dade County, the United States of American, the State of Florida, and the Florida Department of Environmental Protection, for improvements to the County's wastewater collection system.

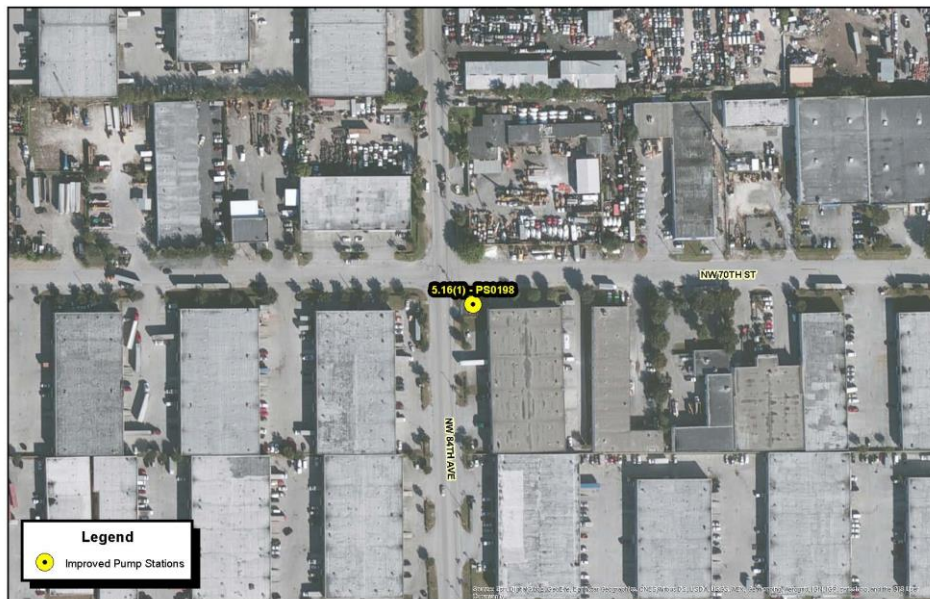

### PROJECTED SCHEDULE

Construction will begin in June 2016, with an expected duration of six (6) months.

### PROJECT AREA

QUALITY. VALUE. ECONOMIC GROWTH.
