FACT SHEET

Pump Station Upgrade

BACKGROUND

On April 9, 2014, the United States District Court for the Southern District of Florida authorized a Consent Decree between Miami-Dade County, the United States of America, the State of Florida, and the Florida Department of Environmental Protection, for improvements to the County's wastewater collection system.

PROJECTED SCHEDULE

Construction will begin in May 2016, with an expected duration of seven (7) months.

PROJECT AREA

QUALITY. VALUE. ECONOMIC GROWTH.
