

Miami-Dade Water and Sewer Department
 Showerhead Retrofit Program
 Large Volume Request

Terms and Conditions

Owners of multi-unit residential properties (i.e. condominiums and apartment buildings) constructed before 1996 are eligible for a “**Large Volume Distribution**” of high efficiency showerheads and aerators. To be eligible for a Large Volume Distribution, an applicant **must present evidence of ownership** of a multi-unit residential property.

This agreement must be read, completed and returned, with all supporting documentation to Miami Dade Water & Sewer Dept. 3071 SW 38 Ave. Suite 554-4 Miami, FL 33146. Documentation can also be scanned and sent via email to waterconservation@miamidade.gov. Approval of a Large Volume Distribution is at Miami Dade Water & Sewer Department’s (WASD) sole discretion and is dependent on availability of funding.

Upon approval, the applicant will be contacted and informed of where to pick up the high-efficiency showerheads and/or aerators. By signing this agreement, the applicant commits to installing the number of showerheads and/or aerators provided. The applicant agrees to allow WASD access to the property to inspect and verify the installation of the showerheads. WASD may review the water consumption for the building and compare pre-installation and post-installation water consumption.

A report detailing the:

- 1) number of showerheads and/or aerators to be replaced
- 2) the unit # the showerhead(s) and/or aerators to be installed
- 3) the date of the installation

must be provided to WASD along with this completed application form. **Failure to provide this information may result in the applicant being billed for the price of the showerheads.**

Miami-Dade County reserves the right to complete inspections at the below-listed address to confirm installation of the showerheads.
