METROPOLITAN PLANNING PUBLICATIONS

Code MP 44-48

The CDMP is the officially approved plan for the future development of Miami-Dade County. The last major update was in 1997 and later amended in 1999. The plan is presented in a written report and a future land use map. The map was printed in 1998 and needs a set of amended supplements to bring it up to date. It is a two-sided map and you will need two copies if you plan to use it to display the entire County. For text updates on individual CDMP Amendment Cycles or for further inquiries concerning Master Plan publications call **Frank McCune** at (305) 375-2835. Please add \$3.00 for Shipping and Handling, when order by mail, for each one of these specific documents.
