	Transmission System Expansion and Water Distribution System Improvements D2-A-1 Phase 2	Replacement Program	SBE/ GOODS – 11.20%, CWP- 10.00%						Bid Due Date Revised to 2/03/2022

Summary of Minimum Experience & Qualifications:

One of the following licenses is required: State General Contractor, General Engineering Contractor and/or other categories as applicable by Chapter 489 of the Florida Statutes or County Code Chapter 10. (See Instruction to Bidders, Section 13). Also see SP 1.0 of the Special Provisions for additional bidder qualifications and minimum construction experience requirements to be provided at bid submittal. Bidders shall demonstrate relevant minimum experience by submitting proof with their bid contract experience as required below

Bidders shall submit proof that their firm has a minimum of five (5) years of experience, under its current business name (which can include the experience of key supervisory employees that would work the project), in the construction of roadway/ horizontal projects of similar scope and scale involving public right-of-way construction / installation / repair / replacement of main water distribution systems and/or main sanitary sewer collection systems, and maintenance of vehicular traffic, supported by references for three (3) projects completed within the past five (5) years. where at least one (1) whole or portion thereof, is within Florida Department of Transportation Right-of-Way. Submitted reference Projects must demonstrate that the Bidder served as the Prime Contractor for the referenced Projects provided.

The Bidder must demonstrate that it has full-time personnel with the necessary experience to perform the Project's Scope of Work. This experience shall include work in successfully completed projects performed by the identified personnel whose bulk of work performed in the public right-of-way is similar in detail to the Project's Scope of Work described in these Solicitation Documents. Bidders shall demonstrate their experience by submit proof, along with their bid, that their firm has successfully completed comparable projects by:

- Providing a detailed description of at least three (3) projects similar in detail to the Project's Scope of Work described in these Solicitation Documents and in which the Bidder's identified personnel is currently engaged or has completed within the past ten (10) years at least three (3) pipeline projects or a total of 2,000 LF pipeline installation, and at least one (1) project using open trench method having a trench depth of 15-ft or greater.
- List and describe the aforementioned projects and state whether the work was performed for the County, other government clients, or private entities.

For each project listed, the pipe installation shall have been completed and accepted by the project owner prior to the bid submittal date.
